The mission of the Coastal Bend Wildlife Photo Contest is to raise public awareness about the need to protect wildlife, habitat, and important ecosystems in the Coastal Bend region of Texas. Our goal is to promote conservation and protection of wildlife and habitat through a mutually beneficial partnership among businesses, private landowners, and wildlife photographers. The education extends far beyond a photo contest by using the award winning images to educate, inform and inspire folks of all ages through our Kritters 4 Kids School Education Program, Traveling Benefactors' Photo Exhibit, and *Wildlife in Focus* books.

Your name or company will be published on the back cover of *Wildlife in Focus IV* when you order *50 or more books.

Book Patrons who order *20 *Wildlife in Focus IV* books will be published inside the book.

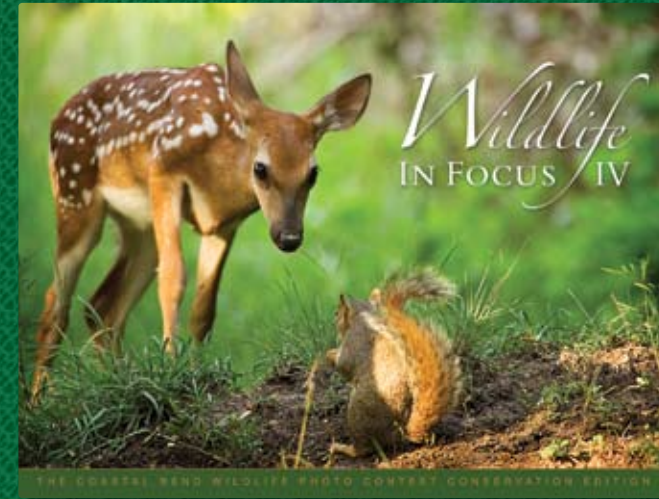

Print name as you want it to appear in the book

**Orders must be paid in full before publication of the book.*

Decorate your home or office with award winning photographs!

Photos on our traveling Benefactors Photo Exhibit can be viewed at www.wildlifephotcontest.com and are available for purchase online or through our business office at 361-881-9316.
