Sponsored by Coastal Bend Wildlife Photo Contest

### Presenting Photographer **Kent Savage**

Kent Savage is a native of Corpus Christi. His interest in photography began with a high school course and has continued throughout his life focusing on surfing and nature photography. Kent is one of very few photographers who can say he has placed as a Grand Prize Winner in every Coastal Bend Wildlife Photo Contest. His work has been published in all four volumes of *Wildlife in Focus*, making the back cover of volume II. His photos have also graced the calendar and cover of Texas Medical Journal. Kent currently has a picture in the Art Competition and Exhibition Tour sponsored by the Wilding Art Museum of Santa Barbara, CA. Kent will welcome you into this class with a fun and energetic attitude. So get ready to finally figure out that camera and have a great time doing it!
